Dear Colleagues,

It is my great pleasure to announce that the 42nd Annual Meeting of the Japanese Society of Toxicology (JSOT) will be held at Kanazawa city, one of the most beautiful and traditional cities in Japan, on June 29–July 1, 2015. My fellow organizers and I are preparing the meeting for exchanges of your research information, presentations of your research results, and having a talk about toxicology tomorrow in the environment surrounded by the traditional beauty of Kanazawa and the nature of Hakuriku area.

The useful activities of chemical substances such as medical supplies, agricultural chemicals, and food additives, are indispensable for the life of modern society. However, as a result, we are exposed to the potential toxicity of such chemicals. Particularly about the environmental pollutants, it is impossible for us to live completely avoiding the toxicity. The role of the toxicology that clarifies the relationship of chemical substances with living bodies and the environment is very important for defending human health and the environment from hazardous chemicals.

The main theme for the 42nd Annual Meeting is “Toxicology for Human Health and Environment Protection”. I hope that researches of environmental toxicology, clinical toxicology, and forensic toxicology comprehensively discuss the research results and give a chance to toxicology and JSOT for development. We are preparing special lectures, educational lectures, symposiums, and workshops, in addition to the oral and poster presentations as usual. Young researchers who gave an excellent presentation will be awarded. Prior to the Annual Meeting, “The 13th Citizen Exhibition Seminar” will be held as a part of the JSOT’s contribution to society.

Hakuriku Shinkansen will be opened for traffic in the spring of 2015, just before the Annual Meeting. It will take only about 2 hours and 30 minutes from Tokyo to Kanazawa. It is a few minutes between JR Kanazawa station and the meeting places. I hope that as many of you as possible will attend the Annual Meeting and make an exciting and fruitful gathering. I am looking forward to seeing you in Kanazawa.

Sincerely,

Toshiyuki Kaji
President of the 42nd JSOT Annual Meeting

**Organization**

**Congress President**

Toshiyuki Kaji, Ph.D.
Professor, Department of Environmental Health, Faculty of Pharmaceutical Sciences, Tokyo University of Science

**Secretary General**

Chika Yamamoto, Ph.D.
Professor, Department of Environmental Health, Faculty of Pharmaceutical Sciences, Toho University

**Organizing Committee**

Toyoihiko Aoki / Sunplanet Co., Ltd.
Yasuuki Fujwara / Tokyo University of Pharmacy and Life Sciences
Seiichiro Himeno / Tokushima Bunri University
Akihiko Hirose / National Institute of Health Sciences
Ikuo Horii / Pfizer, Showa University
Gaku Ichihara / Tokyo University of Science
Mayumi Ishizuka / Holdaido University
Hideto Jinno / National Institute of Health Sciences
Jun Kanno / National Institute of Health Sciences
Tomoki Kimura / Setsuman University
Yoshito Kumagai / University of Tsukuba
Mamoru Mutai / Mitsubishi Tanabe Pharma Corp.
Ichiro Naeshiro / Pharmaceautical and Medical Devices Agency
Akira Nagamasa / Tohoku University
Kazuchiko Nakamura / Kitaotu University
Mamoru Nomura / Ina Research Inc.
Yasunisso Ogra / Showa Pharmaceutical University
Hiroshi Onodera / Pharmaceautical and Medical Devices Agency
Masahiko Satoh / Aichi Gakuen University
Jiro Seki / Kyoto University
Masami Suzuki / Chugai Pharmaceutical Co., Ltd.
Wataru Takasaki / Daiichi Sankyo Co., Ltd.
Chiharu Tohyama / Health, Environment, Science and Technology International Consulting
Koichi Ueno / Chiba University
Hideyuki Yamada / Kyushu University
Hisaharu Yamada / Taisho Pharmaceutical Co., Ltd.
Chika Yamamoto / Toho University
Tsuyoshi Yokoi / Nagoya University
Takemi Yoshida / Council on Pharmacists Credentials

Organizer: The Japanese Society of Toxicology

---

**Important Dates**

- February 27, 2015: Deadline of abstract submission
- May 11, 2015: Deadline of early registration

---

**Program at a Glance**

- Mon, June 29: Opening remarks, Scientific sessions, Exhibition
- Tue, June 30: General assembly, Scientific sessions, Exhibition, Banquet
- Wed, July 1: Scientific sessions, Exhibition, Closing remarks

*Trade exhibition will be held during the congress.*

Official Language: Japanese
(Some sessions will be in English.)
